## PROGRAM DETAILS

**10:55 AM – 11:35 AM    SESSION ONE**

## **1. Greening the Economy: Sustainable Careers in Eco-Tourism and Conservation**

The Virgin Islands' beauty is its power and protecting it is a career path. This session explores how eco-tourism, conservation, and environmental stewardship are opening doors to sustainable jobs that honor nature, culture, and community. Learn how to pursue meaningful, green careers that help preserve paradise for future generations.

### **11:45 AM – 12:25 AM    SESSION TWO**

## **2. Workforce Resilience: Health, Wellness, and the Remote Economy**

In an era of remote work and nonstop change, well-being is key to workforce strength. This session explores how health, mental wellness and self-care support productivity and how they can be built into job training, work culture, and career design. Learn how wellness can not only improve your performance but also open new professional doors.

### **12:35 AM – 1:00 PM    SESSION THREE**

## **3. Transforming Challenges into Opportunities: The Future of Work in the USVI**

What if every challenge facing the Virgin Islands workforce was actually an invitation to innovate? This inspiring session explores bold ideas, future-forward strategies, and local success stories that demonstrate how the Territory can overcome obstacles and shape a stronger, more resilient workforce for generation to come.
