

Governor's Workforce Summit 2025

Future-Proofing the USVI Workforce: Training, Technology and Transformation

September 30th St. Croix | October 2nd St. Thomas | October 3rd St. John

Sponsor Packages Now Available

The U.S. Virgin Islands is at a pivotal moment in shaping its economic future, and we invite you to be at the forefront of that transformation. The 2025 Governor's Workforce Summit—held across St. Croix (September 30), St. Thomas (October 2), and St. John (October 3)—will bring together business leaders, educators, government agencies, and workforce innovators under the theme: Future-Proofing the USVI Workforce: Training, Technology, and Transformation.

This is your opportunity to align your organization with progress and prosperity by becoming an official Summit Sponsor. With three levels of engagement—Bronze, Silver, and Gold—you can choose a package that reflects your commitment and secures valuable visibility. Benefits include exclusive speaking or panelist opportunities, premier booth placements, brand exposure on digital and print media, and direct engagement with hundreds of attendees across the Territory.

Your sponsorship not only demonstrates your leadership but also reinforces your investment in a sustainable, skilled workforce that supports business growth and community resilience.

Space is limited, and sponsor slots are being filled on a first-come, first-served basis. We urge you to act now to ensure your place in this game-changing event. To secure your sponsorship or learn more, please contact us today.

Together, we can shape a stronger workforce and a brighter future for the Virgin Islands.

Sincerely,

VI Workforce Development Board
